L.A.'S HOWLING-NEW FITNESS TREND

Thank Dog! Bootcamp is taking L.A. by storm, allowing busy multitaskers to improve their health and their dogs' behavior at once! Created by a personal trainer and two dog trainers, the program offers an hour's worth of outdoor exercises you can do with your pooch, plus 30 minutes of obedience training for your pup before each session. The program takes place five days a week for six weeks, and you can also opt to take individual classes if you're not ready to commit to the entire camp.
