Wendy Nan Rees

We would like to introduce you to...

Wendy Nan Rees, Pet Lifestyle Advisor.™

Wendy is a multi-talented inventor, and entrepreneur. She is a published author of 5 books (including her latest "The Natural Pet Food Cookbook"). Wendy also writes two weekly columns for [LoveToKnow.com](http://LoveToKnow.com), puts out a monthly newsletter, and hosts her own weekly radio show.

Many inventive things can be found at her website: [www.WendyNanRees.com](http://www.WendyNanRees.com)

- Custom designed dog and cat beds, designed to match the fabrics in your home, available in three sizes.
- Soy candles, her Freshen-Vac® air fresheners for your vacuum cleaner, minted tennis balls, herbal flea collars, and polar fleece blankets for your dog or cat.
- Private cooking classes for your pet can be taken anywhere that there is a phone. Personalized 30 minute class teaches you how to cook for your pet and includes a custom tailored cook booklet for your pet's individual needs.
- Custom design a playroom for your favorite four-legged friend, and phone consultation for only \$75.00. Wendy is also available if you need help with designing the interior of your home, or to simply want to tweak your home's current design a bit.
- Also available for Personal appearances!
